Growing Business Leads to New Global Shop Solutions Office in United Kingdom

THE WOODLANDS, TX, July 2016 – Global Shop Solutions, a leading enterprise resource planning (ERP) software company located in The Woodlands, Texas, announces the opening of its new office in Brighton, United Kingdom. The new office will focus exclusively on providing sales, technical and customer support for customers across the United Kingdom and Ireland.

“We are opening the office due to our expanding customer base and demand in the UK and Ireland,” says Nick Knight, Director of Consulting at Global Shop Solutions. “Global Shop Solutions is growing and we require the local footprint to support our customers, develop new sales opportunities, and engage with the community.”
